13 / 20 TONNE ADJUSTABLE AIR OPERATED TWIN RAM COMMERCIAL PIT JACK

Our new jack design has a significant increase its versatility by providing a wide range of adjustment, while maintaining the long-term reliability & durability that Autolift jacks have become known for.

Our option extra Security Strut mechanism offers an additional layer of safety to the user. The jack can be fitted with it directly from our factory or can be easily retrofitted with the jack in the pit.

Frame Size	Pit Min.	Pit Max.
Small	750mm	1030mm
Medium	860mm	1160mm
Large	1110mm	1410mm
